Sulphur Odor May Be Problem

Tests On Airport Wells Not Yet Completed

The Town of Vulcan, interested in acquiring the unused water wells and associated facilities used to supply the Vulcan Airport with water during the war, has now been advised by Dr. Lawrence E. Kindt, M.P., for Macleod, that an amended Report of Surplus has now been forwarded to the Crown Assets Disposal Corporation covering the three wells, two pumps, the pipe line and the switch control line running from the well sites to the boundary of the airport.

Only one of the three wells has, so far, been tested by the Town. This well, on a one-week test, flowed at the rate of 120,000 gallons a day—approximately double the town's normal consumption—but the sulphur odor of the water makes it unusable without construction of an aeration plant, although in every other respect the water is excellent.

Indications are, however, that sulphur may not be a problem in the other two wells and these will be tested and the water analyzed as soon as possible.

Constable Jim Wiersma and Mrs. Wiersma of Calgary were Saturday visitors at the home of the former's mother, Mrs. K. Wiersma, in Vulcan.

Ladies Auxiliary Officers Installed

The annual meeting of the Ladies' Auxiliary to the Canadian Legion was held in the Legion Hall, Wednesday, Dec. 16, with 20 members present. Mrs. A. C. Marsh conducted the meeting in the absence of the president, Mrs. Gordon Bell. Mrs. E. Jones occupied the secretary-treasurer's chair.

Mrs. May Briggs of Picture Butte, District Zone Commander, was present and spoke briefly to the meeting. Later she installed the new slate of officers.

Mrs. Mary Rose Prevette, whose application for membership was favorably received at the previous meeting, was duly initiated and welcomed by the members. Routine business matters were discussed and a donation of \$10 was made to the Woods Christian Home. Tentative plans were made to hold the first of a series of card parties, in January, with a committee to make all necessary arrangements.

Comrade Harris Matlock of the Legion branch conducted the election of officers for the coming year. The slate returned was as follows: President, Mrs. A. C.

HERE HE IS in all his Merry-Christmas goodness—old Santa as he appeared last Saturday at the big tree in response to a request from local folk who wanted him to call on the younger population.

Marsh (acclamation); 1st vice-president, Mrs. S. Degenstein (acclamation); 2nd vice-president, Mrs. Earl Carruthers (acclamation). Mrs. E. Jones was re-elected secretary-treasurer. The executive committee named was: Mrs. L. Shust, Mrs. R. Best, Mrs. C. Matlock, Mrs. E. W. Sparks, Mrs. A. Sales and Mrs. T. Howlett. Mrs. May Hart was appointed Sergeant-at-Arms and Mrs. Sales, chaplain, by the new president. After the new officers were installed by Mrs. Briggs, the meeting was adjourned and a social period followed. A sing-song of Christmas songs was enjoyed, with Mrs. H. Stewart at the piano.

The members partook of a dainty lunch, served by a committee and employing the Christmas theme. An exchange of small gifts was made and season's greetings extended to each other.

At Highlanders' Dance

Members of "A" Company, Calgary Highlanders, their ladies and guests attended the annual cabaret-style Christmas dance of the unit on Friday, Dec. 18. The 150 persons present enjoyed dancing to the music of Jack Pickersgill and his six-piece orchestra from 9 p.m. to 1 a.m., when a turkey buffet supper was served.

Master-of-ceremonies was Lt. Don Larkins and during the course of the evening various awards and presentations to members of the unit were made by Major R. C. R. Munro, Officer Commanding.

These included the presentation of the Canada Decoration for not less than 12 years meritorious service in the Canadian armed forces to Capt. A. D. Tompkins, the unit medical officer, and to WO2 J. J. Price, the unit quartermaster.

Militia Unit Holds Annual Children's Party

The annual Christmas party for children of the members of "A" Company, The Calgary Highlanders, was held at the Vulcan Armouries Sunday afternoon, Dec. 20, with over 70 children present, plus their parents.

Entertainment consisted of carol singing, led by Mrs. Rita Scott at the piano, and a half-hour of magic by Dr. A. D. Tompkins. Santa Claus was piped in by "Scotty" Sutherland and distributed the individually selected gifts for each child, with a crisp, new one dollar bill also going to each youngster as a present from the honorary colonel of the regiment.

Soft drinks, oranges and candies were also distributed and while the youngsters played with their new toys and the older ones played bingo, the mothers enjoyed tea served in the sergeants mess.

December Meeting Missionary Society

The W.M.S. Group of the United Church held their Candlelight Memorial Service Dec. 16, at the D. O. Jantzie home which was tastefully decorated for the occasion. The president, Mrs. E. MacMillan, opened the meeting with "The Lord's Prayer" in unison, after which Mrs. J. Mannen took charge of the devotional and the service dedicated to Christ was inspiring and impressive. The pure white candles, donated by the president, each represented an eastern country in which missionaries are working. As each member paid tribute to the work, she lit a candle to the country she represented. The Christmas carol, "Joy To The World," was sung followed by a prayer for all nations.

A short business meeting followed. The secretary, Mrs. Hess, read a letter from the provincial secretary stating that group's share in donations for relief for the coming year was knitted children's stockings and a large quilt. Mrs. C. Graham, treasurer, reported a successful financial year and all allocations met. Election of officers for 1960 took place, but as this was not completed the full slate will be reported later.

The meeting closed with prayer after which a dainty lunch was served by Mrs. Jantzie and a pleasant hour was spent in visiting.

Mr. and Mrs. A. W. MacDonald and Mr. and Mrs. Harvey MacDonald will spend the Christmas holidays in Calgary with Mr. and Mrs. Ken Gordon.

Holiday guests at the H. A. LaRoche home will be Mr. and Mrs. Jerry LaRoche and Kevin of Calgary. The Wallace McIntyres of Carmangay will join the LaRoches for Christmas Day.

Mr. and Mrs. Simon Tuttle and Stanley will spend Christmas Day at the Jim Tuttle home in Lethbridge.

Has Narrow Escape In Car Accident

A Vulcan man had a narrow escape from death or serious injury early last Saturday morning. David Mitchell, returning to Vulcan from Lethbridge at about 5:30 a.m., crashed into the rear of a one-ton truck parked on No. 23 highway about three miles north of Champion. The impact completely wrecked the Mitchell car, practically tearing off the top and only the fact that Mr. Mitchell had managed to swerve slightly at the moment of collision, hitting the left rear of the truck, saved his life.

A passing motorist brought him to Vulcan Hospital, where he was attended by Dr. A. D. Tompkins. He suffered a broken nose, facial lacerations and chip fractures of the right shoulder and was discharged from hospital Tuesday of this week.

The Vulcan detachment of the RCMP is investigating the accident.

Under Govt. Five-year Plan

Street Paving, Sidewalk Construction Outlined

Through the courtesy of Hon. Rev. Peter Dawson, MLA for Little Bow, details of the street paving portion of the provincial government's five-year plan, insofar as it applies to communities in Little Bow constituency, have been made available to the Advocate.

In each community, the grant for this purpose is based on a fixed amount, which has been set at \$9,100, plus an additional amount of \$11.80 per capita of population, based on the last official census.

In all cases in this constituency, the amount available for each town or village will allow for one block of hard surfacing, plus, in some cases, a certain amount of concrete sidewalk, curb and gutter construction. In all cases, the entire grant may be used for sidewalk construction, if so desired.

Where street hard surfacing is to be done, the town or village must establish the elevations and prepare the sub-grade. Maintenance will be entirely the responsibility of the local authority.

Sidewalks to be constructed under this plan will be the combination walk, curb and gutter style and will be 6½ feet wide in business districts and 4½ feet wide in residential areas.

At Vulcan, the total grant will be approximately \$23,000. The government will hard-surface one block of pavement not in excess of 4,540 square yards, and in addition to the paving. As an alternative, 3,410 lineal feet of sidewalk can be constructed in lieu of the first plan.

At Blackie, the grant will cover one block of paving not in excess of 3,270 square yards or, as an alternative, 2,670 lineal feet of sidewalk.

At Barons, one block of paving not in excess of 3,790 square yards, or in lieu of this, 3,080 have continued in the 30's and 40's.

At Vulcan Jan. 4-9

Entries From Six Towns In Foothills Bonspiel

The Foothills Bonspiel, Alberta's oldest annual 'spiel, will be held in Vulcan from Jan. 4-9, 1960. This 'spiel alternates between the towns of Claresholm, Staveland, Nanton, High River, Okotoks and Vulcan and has been in existence since early in 1900.

The present bonspiel consists of six events with all rinks starting in two primaries, and boasts a very fine collection of prizes for all six events, with a grand aggregate as well. Entries for this bonspiel should be sent or phoned in as soon as possible to J. Wolfe, Vulcan, phone 11 or 247.

The Vulcan Curling Club's next Jackpot Bonspiel will be held on Sunday, Dec. 27, and already has a full complement of sixteen rinks headed by Hugh Brown of Claresholm, who won the top money at Vulcan's last Jackpot 'spiel.

The President against Vice-president competition was held last

lineal feet of sidewalk.

At Arrowwood, one block of paving not over 2,060, plus 1,100 lineal feet of sidewalk, or in lieu of paving, 2,770 lineal feet of sidewalk.

At Champion, one block of paving not over 3,920 square yards, or in lieu of the paving, 3,210 lineal feet of sidewalk.

At Carmangay, one block of paving not in excess of 2,390 square yards plus 990 lineal feet of sidewalk, or, in lieu of this, 2,930 lineal feet of sidewalk.

No Advocate Next Week

This issue of the Advocate, dated Dec. 24, contains the traditional season's greetings from businessmen throughout the county to their friends and customers.

Following our usual custom at the year-end, the Advocate will not be published next week—the week between Christmas and New Year's. The office will be open regular hours as usual for commercial printing and general business.

The next edition of the Advocate will be published Thursday morning, Jan. 7, and district news reporters are reminded to send in as much of their news as possible the previous weekend to avoid an overload of type-setting.

THE WEATHER

All indications point to a "green" Christmas this year. There is little not in excess of 3,790 square snow and daytime temperatures yards, or in lieu of this, 3,080 have continued in the 30's and 40's.

New Annex At Pioneer Grain

Two building permits were approved at the December meeting of the Vulcan town council. They were for a cribbed annex at the Pioneer Grain elevator, estimated cost \$30,000, and for a temporary addition at the James Reid home, to cost \$600.

Annual grants approved were to the CNIB for \$25, St. John Ambulance Society \$10, Canadian Red Cross Society \$15, Salvation Army \$25 and Scout-Guide Association \$25.

A large number of the local children attended the annual Christmas show sponsored by the Lomond Lions.

Canadian Legion B.E.S.L.

The Armada branch of the Canadian Legion, B.E.S.L., No. 182, has returned its charter to the provincial command due to small percentage of original membership.

The Armada branch was granted its charter on the second day of April 1946. At that time there were many veterans in the district. To-day only a very small percentage remains in the district. With the closing of the schools, store and post office, the members that are here feel they could do more to help in other branches than trying to carry on here.

The Legion was sponsorer of the local shows for a number of years; also many picnics. They have had many successful polo and poppy drives; with every campaign being well supported by all the local town. It is hoped that this support will go to the branch that will eventually take over the district.

Familiar Pet Lost To Milo

Ridgie, a member of a comparatively rare breed of dogs, and a familiar part of the village of Milo's daily life, is lost to the residents and to her owners, Mr. and Mrs. Ralph Hall.

The female dog, the first of the Rhodesian Ridgeback breed brought into Alberta by her owner Mrs. Hall, recently developed a tumor and, despite the care of Vulcan veterinarian, Dr. B. W. Tonken, she had to be destroyed on Nov. 27.

Mrs. Hall purchased Ridgie from a kennel at Burnaby, B.C., in 1950 at the age of five weeks. Being a "runt" from a litter of 14 pups she was sold for \$50. At three months Mrs. Hall was offered \$500 for Ridgie but she was not for sale. During her puppy stage Ridgie was unable, because of her early size, to support herself on her forelegs and had to be nursed with special foods to strengthen her bones, however she reached a mature size and had been healthy until stricken.

Ridgie's ancestry goes back to Rhodesia, from whence comes the name, and is thought to have evolved from the Cuban Bloodhound and the Hottentot Hunting Dog. Her breed was used successfully in lion hunting and along the British Columbia coast they have a reputation for mountain lion hunting and tracking cougars. Their stamina, keenness of scent and eyesight are outstanding and they are said to be capable of 40 miles an hour speeds.

In size Ridgebacks resemble Labrador dogs with loose, short, wheat-colored hair, and the claim is that, in contrast to their fearless disposition, they have no equal as a children's pet.

On the Milo scene, Mrs. Hall says her dog was known to everyone, was a play thing to children and at the same time, a wonderful watch dog. Complete obedience to the master only is a trait of this breed and strangers to the

Hall home were kept from the children until her master came. Mrs. Hall told of Ridgie's friendship with a new born litter of kittens which reached the extent she would not allow the mother cat to nurse them and they had to be removed from her to the basement of the home.

As a bird dog Ridgie was a suc-

"RIDGIE"

cess but only to her master. Mr. Hall could bring down birds and the dog would go to them but it

took Mrs. Hall to get it to retrieve.

Along the back of these animals, running up to the neck is a strip of hair which grows upwards in reverse to the usual growth and gives it a deeper toned color. From this peculiar ridge comes another derivation of the name Ridgeback.

Although they can run out in our winter climate their short hair and breeding does not adapt them to sleeping outside. In the cold so Ridgie was kept indoors. A clean feature is that this type of dog has no fleas and no odor.

There is one other Ridgeback in Calgary and the breed is being developed at the coast. Mrs. Hall did not enter Ridgie in shows such as those held in Calgary but was approached to do so each year.

And so Ridgie is gone and her owner was wondering, while at the Advocate office, how she was going to explain the loss of her dog to her young relatives to whom Ridgie was an inseparable companion.

Mr. Hall has offered to bring the household back to normal with another dog of the same breed and while Mrs. Hall wonders if there can be a replacement for her favorite, it is quite likely a trip to Vancouver and a new Ridgie will be in this family's future.

GREETINGS!

Once again we wish to extend to all our patrons and friends the "Season's Greetings" and to thank you one and all for your most valued patronage through the year which is almost past. May we all take time out just now to praise and thank our Maker for His unspeakable Gift, Jesus Christ, Whose birth we celebrate at this time.
